

Engrade Pro Parent Quick Start Guide

Congratulations! Your student's school is now part of the fast growing online education platform and learning management system. Engrade is used worldwide by more than 4,000,000 students and parents to keep up with class grades and homework.

To view your student's grades and homework, you will need the student or parent username and password. Your student's teacher will provide you with a slip of paper similar to the one below:

Name	ID	Access Code	Username	Password
Student, Your	12345	yourschooledu-12345-2972	yourstudent	p630349

Logging into Engrade

1. Go to www.engagepro.com.
2. Enter your username and password.
3. You will see a list of your child's classes, teacher names and current grades. Please note that you can adjust the grading period (at the top of the list of classes) to view previous grades and classes.

The screenshot shows the Engrade Pro Parent interface. At the top, there is a navigation bar with the 'engrade pro' logo, 'Classes', 'Messages', and 'Account' tabs. On the right side of the navigation bar, the user's name 'Max Dennis' and a 'Logout' button are visible. Below the navigation bar, the main content area is titled 'Your Classes'. On the left side of this area, there is a profile card for 'Max Dennis' with a photo and a list of options: 'Active', 'Archive', 'Class Resources', and 'Add/Edit Classes'. The main part of the 'Your Classes' section shows a dropdown menu for the grading period set to '2011-2012 GP 4'. Below this is a table of classes with columns for 'Class', 'Teacher', and 'Grade'.

Messaging Teachers

If your student's teacher has enabled the option, you may message them directly within Engrade.

1. Log into Engrade.
2. Click "Messages" in the top menu bar. This will take you to your Inbox.

3. Click "Contacts" on the left hand side to see a list of all of your student's classes. You can expand and collapse each class to view teachers who have enabled messaging.

4. Click on the name of any teacher you want to message. A checkmark will appear next to his/her name.

5. Click the "Send Message" button.
6. Enter your message just like an email and click the "Send Message" button.
