

2018 BLESSED SACRAMENT YOUTH BASKETBALL CAMP | Registration Form

THE 2nd Annual BLESSED SACRAMENT YOUTH BASKETBALL CAMP will be June 4-7 and is open to young boys and girls who will begin grades 5-8 in the fall of 2018. The camp will be run by Scott Eades who spent 5 years as an assistant coach and 8 years as the head coach at Robert Morris University in Springfield. The camp will be held at Blessed Sacrament School. Individual skills and concepts including shooting, ball handling, passing, free throw shooting, defense and post moves will be taught during the camp. Advanced techniques of team offense and defense including a daily 5-on-5 period will be stressed. Each camper will be assigned to a group by his and her age and skill. The daily schedule is extremely flexible, and since we are primarily interested in what is best for the individual, the agenda will be adjusted to suit each camper's needs. Individual instruction from area coaches and college players will be utilized at the camp. Each camper will receive a camp basketball, t-shirt, and water bottle. All proceeds will go to support the BSS Junior High Basketball.
